DICK & CATHY GURLEY

Dick and Cathy are a retired businessman and mathematics teacher. They have been married 44 years, have three married children and seven grandchildren. Next June they will host their third annual Gurley Grandparent Camp – a delight for them all! During their vocational years Dick & Cathy were involved in Missions work founding ABBA Press, Inc. to assist organizations publishing Christian material behind the Iron Curtain and in other countries where missionaries were not welcome.

They have led small groups in their church body for many years, and have mentored couples in difficult marriage situations. Dick enjoys working with finances, woodworking, and building and flying airplanes. Cathy loves to teach the Bible and enjoys helping students with math. In retirement, they recently graduated from Covenant Theological Seminary in St. Louis with Masters of Arts in Theological Studies. They have been working as consultants with several overseas organizations that help people establish businesses in their country. This summer, they have been invited to visit these organizations as consultants in Sierra Leone and Uganda. Additionally, they will teach in a Christian Bible School in The Gambia during the month of August. They anticipate learning much during our retreat time together.

A Legacy of Grace

God's grace is deep and wide. It affects how we live our lives and touches on every relationship. Our goal is to explore the topic of grace to see how much it should effect our lives, and to understand how much God really does love us. Only when we are comfortable in His grace and love can we live as He has designed us, and leave a legacy of grace to those whose lives we have affected.
