Our school purpose is for Christian growth and readiness for school and life.

1. To introduce children to Jesus as Savior, the only Way to God, Jesus as our Lord, the one who has a claim on our whole lives because of what He has done and is doing for us; Jesus as our Friend, who is alive and strong and delights in listening to us and meeting our needs.
2. To grow in our relationship with others; to develop friendships, learn caring and sharing, respect for authority and enjoyment of others.
3. To prepare for success in school. We believe in high academic standards with emphasis on pre-reading skills, beginning number skills, conversation and language development, story comprehension and application, health, music, simple science concepts, and senses training.
